## DECORATION

You are free to dress the room to suit your own style - we only ask that you let us know in advance what you would like to do.

All decoration must be taken down at the end of the night, so be sure to arrange in advance who is going to do this for you.

## FOOD

Sun – Wed: 12pm-11pm  
Thur – Sat: 12pm-11.30pm

## ENTERTAINMENT

We have an in-house PA system that can accommodate everything from a brass band to an iPod playlist. Please note, bar shuts and music must stop at 11.30pm and everyone must be out of the venue by midnight (30 minutes earlier, Sun-Mon).

## LIVE MUSIC

If you have a live band, we can ensure that there are no technical problems by providing a sound engineer who will carry out a sound check and manage the PA throughout your event. The fee for this service is £70.

We recommend a maximum 5 piece band for the size of our stage. Bigger bands can be accommodated but we suggest the band visits the venue beforehand to check suitability.

## IPOD

We will set up the cable for your iPod and leave you to manage your playlist throughout the night.

## PLEASE NOTE

You are free to use the outside areas of the boat, but please be aware that these areas are open to our other customers. Our license does not allow under 18s to be on the premises past 9.30pm.
